

Kidnap & Ransom Initial Response

4 Day Course

Why this course

This unique participatory course is designed to provide the skills to act effectively in the event of a Kidnap and Ransom. This course focuses on the corporate world and the roles and responsibilities of the response team.

This course will provide a high level of practical skills and theoretical knowledge which are needed to act confidently, objectively and effectively when protecting the physical integrity of staff or company assets, if threatened by a kidnap or commercial extortion-related incident.

Aided by the use of scenarios, this course enables learners to explore and understand the duty of care and responsibilities, including primacy and legal considerations; crisis response and management as it relates to Kidnap and Ransom; communication, including victim and offender contact, negotiation skills, external and internal messaging.

The skills taught will transcend just kidnapping or commercial extortion; learners will also explore the fundamentals of crisis management planning.

This course is delivered by renowned specialists in this field and numbers will be strictly limited to allow learners to gain maximum benefit from this course.

Who will benefit

This highly participatory programme is aimed at security directors and managers, risk directors and managers, health & safety directors and managers, human resource directors and anybody who has staff who face this risk.
